## NOTICE OF ALLOWABILITY

### *Examiner's Amendment*

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Daniel Gurfinkel on September 19, 2008.

The application has been amended as follows:

1. Delete "claim 9" in line 2 of claim 19 and insert ~~--claim 22--~~

### *Reasons for Allowance*

The following is an examiner's statement of reasons for allowance.

1. It is the opinion of the examiner that the art of record (considered as a whole) neither anticipates nor renders obvious "wherein the first and second work modules can be pivoted about the first and second axes from the off the line position to the in the line position without the need of electrical and mechanical disconnection and reconnection of the one or more drives from the respective work module" in combination with the rest of the claimed limitations set forth in independent claim 22.

Therefore, based on Applicant's arguments with respect to the newly added claim and the examiner's review of Office Action (April 4, 2008), the claimed subject matter is deemed to be allowable. Further clarification/explanation can be reviewed in applicant's arguments filed July 3, 2008 on page 5. Claims 10-22 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Debra Wolfe whose telephone number is (571) 272-1904. The examiner can normally be reached Monday - Thursday 7am - 4:30pm with alternating Friday 7am - 3:30pm.
